Step 1
To begin the online application process, open a web browser and click on the “Apply Now” button found on our website here.

Step 2
To apply to COSTAATT online, you must first login. If this your first time applying, you must create an account. Simply click on the “First time user account creation” link at the bottom of the page.

Your Login ID can be any name you choose up to nine (9) characters and numbers, and your PIN (personal identification number) must be six (6) numbers in length. Re-enter your PIN for confirmation. Important: Please choose a Login ID and PIN that you can easily remember should you need to return to complete your application.

If you are a returning applicant enter your Login ID and your PIN and proceed to the next step.

Step 3
Once you have logged in, follow the prompts and instructions to the top of each page to complete your application. Your application can be completed in one session, or it can be started and continued later in a subsequent session. If you choose to complete your application at a later date, click the “Finish Later” button. When you return to complete your application, login as described in Step 2 above, and resume your application by selecting the appropriate item on the application checklist.

Step 4
Once you have entered all the information and details required for the online application process, complete your application by clicking the “Application is Complete” button. Once your application has successfully been completed, and you have submitted the necessary documents to the Admissions office, you can log in periodically to see if any decision has been made on your application.
