The College of Science, Technology and Applied Arts of Trinidad and Tobago (COSTAATT) is a multi-campus college, offering certificate, diploma and degree programmes in a variety of disciplines at six campuses across Trinidad and Tobago.

As one of the fastest growing tertiary level institutions in the public sector, serving over 10,000 students, and meeting employers’ needs for work-ready graduates, COSTAATT provides faculty with an opportunity for challenging and rewarding work that will have a transformative impact on the lives of students, communities and the nation.

In support of its transformative mission, COSTAATT is seeking to recruit both full-time and part-time faculty who:

- Possess a master’s degree in the specific subject area
- Have at least three (3) years’ successful teaching experience at tertiary or ‘A’ level. Post-graduate training in education, curriculum development and/or measurement and evaluation will be considered a major asset
- Are able to teach students of different ages, interests and abilities
- Are innovative, creative, dynamic, resourceful and committed to student access and success
- Are up to date with current research and teaching practice in their discipline
- Have excellent communication and interpersonal skills, and are able to work effectively in teams and as a self-managed professional
